ACADEMIC CALENDAR

2018 - 2019

Wishes from the Founder

Dear Friends,

DMI and MMI congregation of catholic religious sisters and priests are known for their selfless service to humanity in many parts of the world.

Self respect through self sustenance, self sustenance through capacity building, capacity building through knowledge based technical skills towards expectable employment and respectable employment towards the realization of one's ability to market one's ideas, skills and products is our vision for those whom we serve.

To groom well disciplined, humanly motivated, intellectually enlightened, technically oriented citizens with stamina built in to face the changing world , a committed and strong spiritual base is our goal.

All our educational and development services are oriented towards this goal which is to be achieved through the collective efforts of consecrated religious, committed collaborators, dedicated staff, receptive students and all others concerned.

We pray and hope that every person who passes through our hands is nourished and enriched in every way, not only to face the future but also to shape his or her own future and that of our country and the universe.

May God bless you all!

Rev Fr. Dr. J. E. Arul Raj
Founder and Chairman

Message from the Administrator

Dear Staff and Students,

I am happy to meet you all through this academic calendar which has all the curricular and co curricular schedule of our college.

Welcome to St. Joseph's College (Arts & Science) Kovur. Our College places the highest value on comprehensive, professional, and socially-relevant education. We have a dedicated faculty who open the door for the students but at the same time expect them to enter it by themselves. There is no force more paralyzing than the fear of failure. We mould our students to be self confident and pragmatic such that when they enter life after their studies, they face various challenges with courage, conviction and success.

The students must exhibit exemplary behavior even outside the college without getting themselves provoked or letting themselves be taken for a ride especially while travelling. Directly or indirectly, knowingly or unknowingly, they should in no way bring disrepute to the college of their study. I am sure our students will always strive to uphold the dignity of our college and keep its flag ever flying high. India is known for its rich values, culture and heritage. I impress upon all our young learning community to emerge as her proud and worthy citizens. I wish our students all success in their endeavors.

Rev.Sr.Dr.K.Sandiya
Administrator

Be proud of the legacy of your college and opportunities it offers. Take part in activities and be part of the club which will help you to hone your skills. To be successful in life have ambition and set your goals clearly. Your effort with the able guidance of our staff members will help you to reach the pinnacle of success. **Our College is the place where not only gems shine but pebbles are also polished to shine.**

St. Joseph is committed to give placement assistance to all its students and we have taken all the effort to place eligible final year students in companies of repute. It is our earnest wish that every student who enters this portal should leave with a placement offer along with their degree. The department of placement and training is working towards achieving this vision. On behalf of this big St. Joseph family I wish each and everyone of you all the best for achieving greater success in life.
