- Dr. N Dharmaraj, Assistant Professor, published a book titled “Pieces of the rainbow”.

FACULTY DEVELOPMENT PROGRAMME

- The Department of Mathematics in association with IQAC and IIC organized a six-day National Virtual faculty development programme on “Research Ethics and Data Analysis Using AI Tools” from 17th February 2026 to 23rd February 2026.

ABOUT THE COLLEGE

St. Joseph's College (Arts & Science) is a co-educational Christian Institution run by the management of Society for Education for life. This college has been established in 1994 and has been taken over by Rev. Fr. Dr. J.E. Arul Raj OMI and managed by DMI sisters from 2004.

The vision of the college is to provide a discipline life with a spiritual base to remain “Educate To Excel”.

This college is Approved by Govt. of Tamilnadu, Affiliated to University of Madras, 2(f) Status of UGC Act, 1956, ISO 21001:2018 Certified and Accredited by NAAC with “A” Grade Institution. Rev. Fr. Dr. J.E. Arul Raj is the Founder and Chairman of the college. He is ably supported by Rev. Sr. S. Lalitha, Superior General and Rev. Sr. S. Gnanaselvam, Managing Trustee of the society.

FDP OVERVIEW

The Faculty Development Programme (FDP) titled “Research Ethics and Data Analysis Using AI Tools” is designed to equip educators, researchers, and academic professionals with essential knowledge of ethical research practices and advanced data analysis techniques supported by Artificial Intelligence (AI) tools.

This programme aims to enhance research quality, ensure ethical compliance, and empower faculty members to conduct impactful and credible research in the evolving AI-driven academic landscape.

ABOUT THE DEPARTMENT

The Department of Mathematics was established in the year 2006. A team of well qualified and dedicated faculty members are working in our department. Our department alumni have excelled in various spheres of life like teaching, research, industry etc. The department offers various opportunities in education and research with a wide spectrum of areas in Mathematics. Most of our students have been placed in different companies and some of them pursuing their higher studies.

VISION :

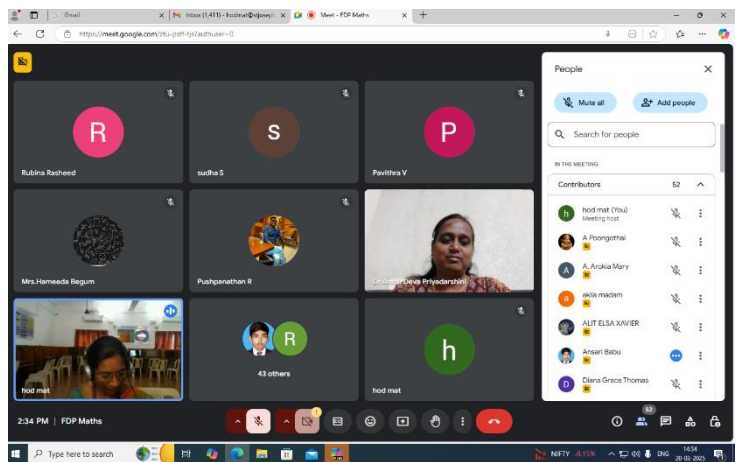

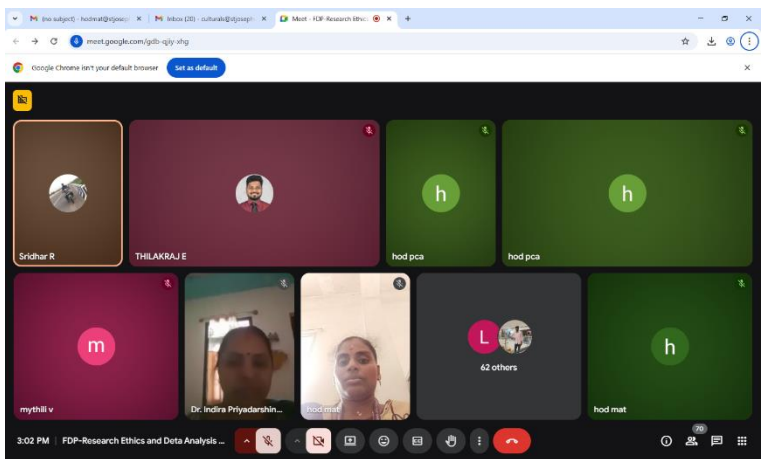

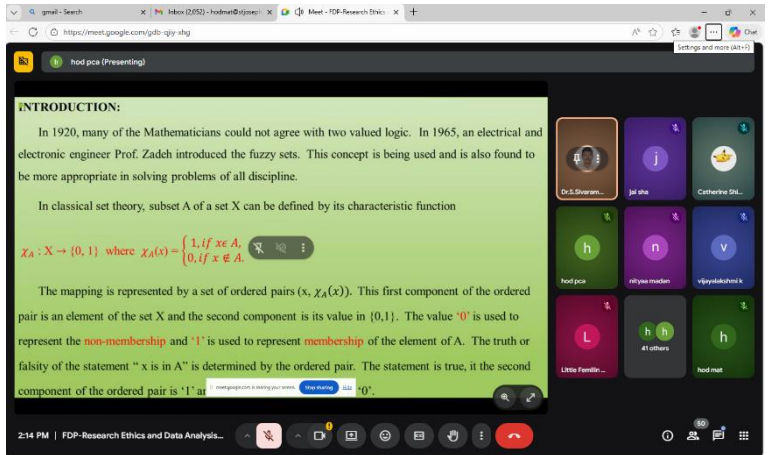

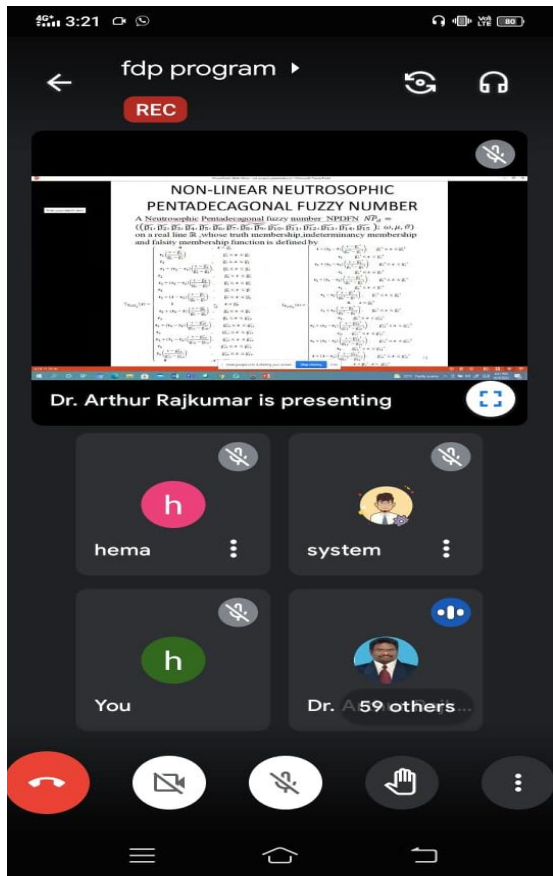

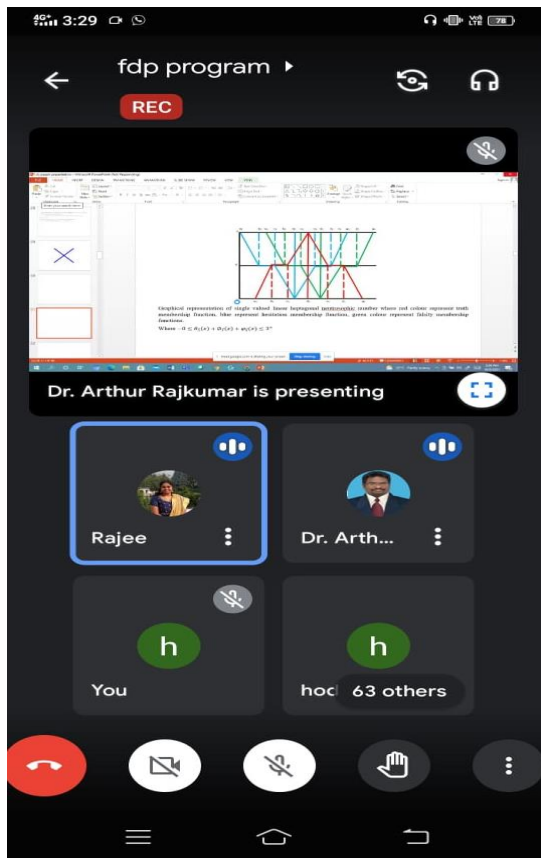

- To enrich the Mathematical and Analytical skill of the student.
- To produce quality Mathematical science researches.
- To emphasize the students to apply the theoretical Mathematics to develop Mathematical models.

MISSION :

- To inculcate moral values and ethical values.
- To upgrade the students' knowledge to meet the academic challenges.
- To equip the students with the necessary mathematical tools to meet the Competitive global environment.

E - Certificate will be provided to all the active participants.
