ANNUAL REPORT

2019-2020

Our St. Joseph's College (Arts & Science) significantly makes a huge impact in Education and equips individuals with the skills to analyze information, solve problems, and make reasoned choices. This academic year we were adept to replete a total of 992 Seats and technological advancements are seamlessly integrated into the infrastructure, enhancing the learning experience. Our College offers various undergraduate and postgraduate programs in arts and science disciplines. Helping the students to acquire new skills that are in demand in their chosen profession, overall 24 values added courses were conducted to enhance the students' skill by which 2044 students got benefited. In total, our college has a committed faculty team of 119 members who consistently provide support ensuring students have access to resources and essential guidance.

Faculty members from all the departments took part in numerous conferences, seminars, workshops, and faculty development programs and they also published research articles in UGC CARE listed journals, Peer reviewed Journals and books with ISBN. Inclusive 4 seminars, workshops were organized for the students' enrichment. Various Departments had invited experts on their field of area for delivering guest lecture for the students. Overall 8 Memorandums of Understanding (MOUs) have been signed with various organizations and institutions to facilitate students' development by providing them with enhanced learning opportunities, internships, collaborative projects, and exposure to real-world industry practices. For the development of students we have collaborated with many companies and motivated the students to participate in Internships and Training Programs.

The infrastructure of our college influences both the academic and personal development of students and also enriches the overall college experience by providing well-furnished class rooms, staff rooms, smart classrooms, conference rooms, seminar halls, Auditorium, labs and so on. Our librarian, supported by our management, has made significant efforts to maintain and expand our library's collection, despite space limitations. The library boasts a well-ventilated and brightly lit hall that provides easy access to its extensive collection of offline books.

Our College Physical Directors provides continuous sports and games uplifting training for all the students. Medals and Certificates were distributed to the winners and runners for the various sports events conducted in the college. In order to nurture patriotism

in students' minds, our college celebrates Independence Day and Republic Day every year. To promote and cultivate the culture and tradition, our college organizes various celebrations like Pongal, Ayudha Pooja and Christmas. Our college encourages co-curricular and extra-curricular activities for holistic development of our students. 2141 students were benefited by the guidance for competitive exams and career counseling offered by the institution. To facilitate the college education of the students the college management arranges a monetary help by providing them scholarships. Our management has been encouraging the meritorious sports excellent and economically downtrodden students by means of awarding scholarships at the time of admission in terms of fee waving. 2095 students were benefited with management scholarship of ₹41,90,000. Moreover, 410 students benefited from various government bodies receiving scholarship of ₹ 29, 37,230/-.

The IQAC (Internal Quality Assurance Cell) has been instrumental in elevating our institution's academic standards through its proactive initiatives. Through its meticulous planning and execution, the IQAC has effectively promoted research culture and faculty development within our institution. Total 101 teaching and 11 non-teaching faculty members have attended the faculty development programme and administrative training programme respectively organized by our institution and other institution in various colleges which significantly bolstered opportunities for practical learning and skill development among faculty members. IQAC has conducted Internal and External Audit regularly to uphold and enhance the quality standards of our institution.

Our college management generously provided financial support amounting to ₹4,08,350 to enable the faculty members to participate in various academic activities such as paper presentation, publication and participating in seminars, conferences, workshops and FDPs.

Starting from the 2019-2020 academic year, our college has triumphantly achieved a student success rate of 99.49%, from the 1191 students who were appeared for the final semester.

We wish to thank our Chairman and all the Members of the Management Board, Principal and all the staff of the College for their continued support.
